The H.W. Wilson Art Suite

"H.W. Wilson has created an outstanding new collection in its Art Suite of databases."

—*The Charleston Advisor*

Cinema Image Gallery

Just added—Nearly 22,000 Images! Best Content—Ninth Annual Readers' Choice Awards, *Charleston Advisor*. "A perfect ten...The content is superlative...Enthusiastically recommended for academic and special libraries supporting film studies programs and researchers, as well as for medium to large public libraries."—**Library Journal**. "This would make an excellent companion to Wilson's *Art Museum Image Gallery*; together, the two databases would provide a comprehensive view of the visual arts in the twentieth century and beyond. Highly recommended for academic, public, and arts libraries."—**Booklist Online**.

Art Full Text

More than 60 journals added in December! "An invaluable resource...It will enable school library media centers that have a limited collection of art periodicals to provide access to a broad range of art literature."—**School Library Journal**. "Any college, university or large public library should have this....any special museum library should purchase it."—**ARBA**.

Art Museum Image Gallery

Just added—Outstanding Library of Congress Collections! "Highly recommended."—**Choice**. "An essential acquisition."—**Library Journal**. "An eyeful... A visual explosion of content that will supplement course content... Deserves an A+ for providing the finest content from around the world."—**School Library Journal**.

Avery Index to Architectural Periodicals

"A magnificent source of information on periodical literature about architectural history, planning, preservation, interior design, and landscape architecture, with an emphasis on the post-antique period."—**CSA Newsletter**.

Art Index Retrospective: 1929-1984

"Historians, students, and researchers would all benefit from this resource. I would highly recommend *Art Index Retrospective* for its comprehensive content and excellent search options."—**Reference Reviews**.

Outstanding Databases, Outstanding Tools on WilsonWeb

- **WilsonWeb "Widget"**—Post a WilsonWeb search box on any page of your website!
- **ReadSpeaker "text to speech" converter for full-text articles!** *New*—choose from male or female voice!
- **"My WilsonWeb" profiles.** Create and manage saved searches, articles, personal notes, search histories, email alerts, custom settings, and RSS feeds, in private subaccounts within WilsonWeb.
- **Article translations.** Articles available in German, French, Italian, Spanish and Portuguese can now be translated into English. WilsonWeb also translates English-language articles into Spanish, French, German, Italian, Portuguese, Korean, Japanese, Russian, Arabic, Chinese (traditional and simplified) and Dutch.
- **Interface Language Translations.** Convert buttons, links and navigational aids into German, French, Italian, Spanish and Portuguese.
