OHIONET can deliver customized, on-site workshops at your library.

Whatever your library training needs, OHIONET has a solution. For more information on on-site or customized training, contact Evan Struble, evans@ohionet.org, 800-686-8975, ext. 37.

Please visit www.ohionet.org/training for full session descriptions as well as new workshops.

All workshops are held at OHIONET unless otherwise noted.
