

# OhioNet

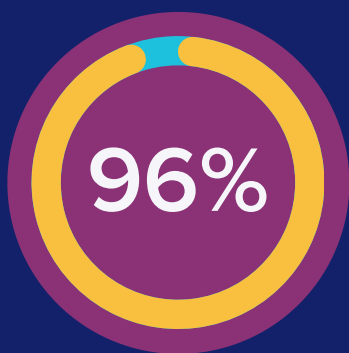

## FY 2022-23 SNAPSHOT

### Consulting Services

OhioNet launched **Unlimited Possibilities**, our consulting services, in 2022. Highlights from the past year include:

- Offering in-person and online sessions of Conversations Worth Having (CWH) for Library Leaders
- Leading the Columbus State Library through a new strategic plan
- Assisting OPAL libraries with an opportunity exploration for the future of the organization
- Leading the PALNI Directors planning retreat
- Leading a staff retreat for the Cleveland State University Library to ignite workplace connections

### eResources

Ninety-six percent (96%) of member libraries purchased electronic resources through OhioNet in the past fiscal year, with an average savings of \$1,682 or 15% off per subscription.

### Technology Services

#### ILS SUPPORT

for joint and individual library systems across the state

#### METADATA MANAGEMENT

to ease administrative burden

#### PROXY SERVERS

providing off-campus access to electronic resources

### Training

We hosted 21 in-person and virtual professional development events, with over 800 individual registrations coming from more than 150 institutions.

I learned what to say, and what not to say, when staff members and parents ask about copyright. That is as important as the actual copyright information!
